

6th June 2011

To all parents/carers,

To help our students get ready for the new school year, we are again running a substantial Summer School Programme.

Please note that the last lesson of the Year is on Saturday the 30th of July 2011. If you are away on holiday before this time please book a make-up lesson with your Tutor at your earliest convenience.

We have worked hard to ensure we offer something for everybody.

If you do wish your children to attend Summer school you must complete the booking form and enclose payment as prescribed.

FREE LESSON - If you tell your friends about our Summer School and they enrol for lessons during August we will give you one lesson free in September 2011*

We will also give you **3 more FREE LESSONS** if your friend decides to enrol for September at our centre in Basildon.*

Programme 1 We have a full **11+ Programme** that includes a Mock Exam as well as Booster sessions.

Programme 2 The **Step Ahead Programme** is held during the last week of August, just before the new school year begins. This has proved to be of great value to students (from Reception - GCSE) in the past, getting them focused and motivated for the new school year. Students will follow their normal Kip work plans and, because they come everyday, it adds up to four weeks worth of lessons! Every year parents and teachers comment on how much easier students have settled into their new year-group, after attending the Summer School. This is also extremely valuable to children sitting the 11 + in November. Due to popular demand we have again added extra sessions in the afternoon.

Programme 3 We are offering **summer tuition sessions** during all of August on Mondays and Tuesdays. AM and PM.

If you would like your child to attend, please complete and return the enclosed form with the full payment, to reserve his/her place by the closing date.

Places are limited and do fill up quickly; please enrol early to avoid disappointment.

Yours sincerely

Breggie & Wikus Rautenbach

* If you recommend a friend and they enrol, we will offer you one free lesson after each month only if their account is up to date, for up to 4 months. (terms and conditions apply). You have to be an enrolled student to benefit from the offer.
