May 2010

Dear Parent / Carer,

To help our students get ready for the new school year, we are again running a substantial Summer School Programme.

*Please note that the last lesson of the Year is on Saturday 31st July 2010. If you are away on holiday before this time, please book a Make-Up lesson at your earliest convenience by emailing Breggie on kmcbasildon@aol.com.*

ALL sessions in the Summer School Programme is optional and you therefore do not have to participate. You will not be billed for lessons during August.

(Previous kip McGrath Students will be billed at the Kip Student Rate.)

Therefore, if you DO wish your child(ren) to participate in any of the sessions, you must complete the booking form and enclose full payment as prescribed.

We have worked hard to ensure we offer something for everybody.

**Programme 1** We have a full 11+ Programme that includes a Mock Exam as well as Booster sessions.

**Programme 2** The "Step Ahead" Programme is held during the last week of August, just before the new school year begins. This has proved to be of great value to students (from year 1 - GCSE) in the past, getting them focused and motivated for the new school year. Students will follow their normal Kip work plans and, because they come everyday, it adds up to five weeks worth of lessons! Every year parents and teachers comment on how much easier students have settled into their new year-group, after attending the Summer School. This is also extremely valuable to children sitting the 11+ in November. Due to popular demand we have again added extra sessions in the afternoon.

**Programme 3** We are offering normal tuition sessions during all of August on Mondays.

If you would like your child to attend, please complete and return the enclosed form with the full payment, to reserve his/her place by the closing date.

Places are limited and do fill up quickly; please enrol early to avoid disappointment.

Yours sincerely

Breggie & Wikus Rautenbach
